## MUNICIPAL AFFAIRS.

## A NEW PARK COMMISSIONER.

mayor Havemeyer astonished the citizens of new York yesterday by appointing Mr. Thomas E. Stewart as one of the Park Commissioners in place of Mr. Salem H. Wales, resigned. Mr. Stewart is resident of the Fifteenth Ward, well known as wealthy lawyer and as ex-member of Congress from the Sixth Congressional District. Prior the split in the republican party. Mr. Stewart was an enthushastic adherent of this organization, but when Horace Greeley received the nomination for President he went with the Liberais, and is now the Chairman of the General Committee. It has been publicly stated around the City Hail that the new Commissioner was appointed through the influence of the Comptroller and for the purpose of effecting a bargain with the liberais, giving them patronage to influence their votes at the next election. Mayor Havemeyer was called upon by one of the Herald reporters and interrogated concerning these reports. The Mayor said:—
"When I appointed a Police Commissioner one of your reporters told me that there was a howly raised about it. I told him that I rather liked howls, and the Herald published just what I said. To-day I made Mr. Stewart a Park Commissioner—I appointed him to please myself only and no one else. I think he is an honest man, a man of business, and one having the interest of the city at heart.

"Mr. Mayor, report says that the Comptroller dictated the appointment of Mr. Stewart," said the reporter.

Mayor Havemeyers—This is about as true as all the split in the republican party, Mr. Stewart was

"Mr. Mayor, report says that the comperonic dictated the appointment of Mr. Stewart," said the reporter.

Mayor Havemeyer—This is about as true as all other reports about me. I consuited no one, but received opinions as they were expressed to me by many politicians who called on me concerning this appointment. I have no axes to grind. I want to distribute the patronage among all parties alike. I have appointed republicans and democrats, and now I thought a "liberal" should be added. Concerning the Comptroller influencing me I can only repeat that I never consulted any one on this subject. Even in the liberal ranks I should have found opposition."

The Mayor read a letter to the reporter which he had received that afternoon from a prominent citizen, in which he said "that he was surprised and snocked with the appointment of Mr. Stewart."

"Thus," continued the Mayor, "you may see that, no matter whom I appoint, I cannot please everybody."

### BOARD OF SUPERVISORS.

Supervisor Vance presided at the session of this Board vesterday. Supervisor Billings offered a resolution directing the Clerk of the Board transmit all bills for work done for the county, now pending in this body, to the Compiroller for payment, after which, on motion of Supervisor Kehr, the Board adjourned until the 15th inst.

### BOARD OF ASSISTANT ALDERMEN. At the regular session of this Board held yester-

day Assistant Alderman John J. Theiss presided in the absence of the President. The minutes of the previous meeting were read and approved.

previous meeting were read and approved.

Assistant Alderman Clancy proposed a resolution to rescind a motion previously offered by Assistant Alderman Thornell asking for a report from the Law Committee in relation to the Permit Bureau. The resolution was adopted on a division.

A number of unimportant general orders were acted on, but not one which would provide work for the idle laborers of the city. A combination seems to have been formed by a few of the Assistant Alderman against Commissioner Van Nort, because he will not appoint men at their dictation, hence their refusal to concur in the measures coming from the Board of Alderman. over which the Commissioner of Public Works is to assume control.

Alter a session of one hour and three quarters, during which little public business was done, the Board adjourned for one week.

# THE COUNTY BUILDINGS.

Commissioner Van Nort, who under the Consolidation act has charge of the maintenance and care of the county buildings, says he will not at present make any changes in the forces now tak-ing care of the buildings. The report that he would formally take charge of the public build-ings vesterday was not correct, as Mr. Van Nort claims to have charge of them since the passage of the Consolidation act. He will probably reduce the force now employed.

Comptroller Green reports the following disbursements and receipts of the Treasury yesterday:- DISBURSEMENTS.

CIVIL RIGHTS IN TENNESSEE.

The Excitement in Educational Circles-A Proclamation from the Superintend-

The following address, which is published in the Tennessee papers, explains itself:-

DEPARTMENT OF PUBLIC INSTRUCTION.

DEFARTMENT OF PUBLIC INSTRUCTION, STATE SUPPRINTENDENT'S OPTICA.

To COUNTY SUPPRINTENDENT'S AND PUBLIC SCROOL DIRECTORS THROHEROFT THE STATE OF TENNESSEE:

The Civil Rights bill, pending before the United States Congress, in its provisions concerning public schools is in direct conflict with the law of Tennessee under which the public school system of the State is organized, and by which its officers are governed. It is iurthermore in conflict with the twelfth section of article II of the constitution, which provides.—No school established or aided under this section shall allow white and hegro children to be received as schools to the tree in the same school. So that what the bill commands our state constitution and the Senate, and all the ind. That bill has already passed the Senate, and all the ind. That bill has already passed the Senate, and all the ind. That bill has already passed the Senate, and it the indictions point to its passage by the House of Representations point to its passage by the House of Representations point to its passage by the senate, and the fact that in many of the counties schools now closed are expected to be reopened for the summer session in the month of June, and inasmuch as it is desirable to avoid as tar as possible the empartassment that will necessarily follow the enactment of the Civil Rights bill. I deem it the part of prudence to suggest that the theory, and the properties with teachers, for either white or colored schools, he entered into by school directors. By observing this suggestion much complication and unnecessary and will be promptly given. Very respectfully.

Southern Sarcasm.

# SOUTHERN SARCASM.

(From the Richmond (Va.) Enquirer.) Liberty has been so long lost and forgotten in apostles and lorgotten that they were ever born and had a birthday. We celebrated Victoria's birthday Monday because she is a living reality; but the liberty Patrick Heary pleaded for, and which his eloquence won for us, from her grandfather, is dead—or at least 'it sleepeth"—and we should not awake it by unseemly rejoicing thi "the fulness of time."
